1917 - 1963

*“The Just Man
Shall Be in
Everlasting
Remembrance.”*

HEADMASTER'S MESSAGE

Our era is one of enormous historical significance. Giant strides in the social, economic, and physical sciences make our times truly revolutionary. These advances are due to the extraordinary drive and resourcefulness—the *potentia*—of our people, qualities prophetic of the eventual fulfillment of the goals and ideals that we are still struggling to attain.

This Year Book's theme—"Potentia"—and its dedication to the memory of our martyred President Kennedy, shall remind the Class of 1964 that in each of us is a mine of incalculable potentiality for good—that it remains our daily responsibility to tap these inexhaustible resources with courage and enthusiasm for service to our fellow man. These were the ideals that dominated the thoughts and actions of our late President. Through the continuing inspiration of his heroic virtues, we can, by imitating them, improve our own lives and strengthen family, community, and country.

EDWARD F. BRICKLEY
Headmaster

VALEDICTORY

TO THE HEADMASTER AND MEMBERS OF THE FACULTY OF JAMAICA PLAIN HIGH SCHOOL

We the Class of "64" sincerely appreciate the message of our headmaster, Mr. Brickley, which is inspiring and appropriate. We are grateful for the earnest efforts of the faculty of Jamaica Plain High School for awakening us to the realization that developing our creative instincts and intellectual inclinations is essential to our becoming constructive contributors to our country.

It is truly fitting and most proper that we manifest our deep regard for our late President, John F. Kennedy, by emulating his ideals with the same courage and enthusiasm that he displayed and exemplified for our nation's good.

Appropriately we use the title, *Potentia*, Power: that which we students have to give, and we must, and that which Mr. Kennedy gave and that to the ultimate degree.

OUR SEAL

In 1941, the members of the Yearbook committee decided that they needed something to interpret the spirit of Jamaica Plain High School, something which would represent the school for all time; a symbol of Jamaica Plain High School.

In seeking material for this symbol they found some very interesting information about Jamaica Plain. At the time Cromwell captured the island of Jamaica, in the British West Indies, the name of that part of Boston was changed to Jamaica Plain. It is undoubtedly a slander upon the good people of this locality to assert that it derives its name from their fondness for Jamaica rum—and that they preferred it "Plain."

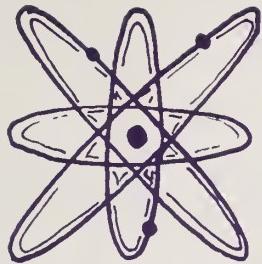

Our seal has a significance, of course. The elephant's head is taken from the crest of the Eliot coat-of-arms

and symbolizes strength, dignity, and prowess. The band on the shield represents, in heraldic symbolism, a plain, while the wavy lines represent water.

These too, have significance because the original name Xaymaca, given Jamaica by the Arawak Indians found on their island by Columbus, is supposed to imply "an overflowing abundance of rivers." Instead of the family motto, of the Eliot's, the Yearbook committee placed "H. Jamaica Plain S." on the heraldic ribbon.

The seal has been modified to fit the ring structure of all classes since 1941, and has been adopted as the official seal of Jamaica Plain High School.

OPPORTUNITY IS EXCELLENT

and your ability will be recognized. Your starting salary should climb with regular increases. And, of course, Company benefits, security, and regular advancement are well-known reasons why working for the Telephone Company is so attractive to graduates.

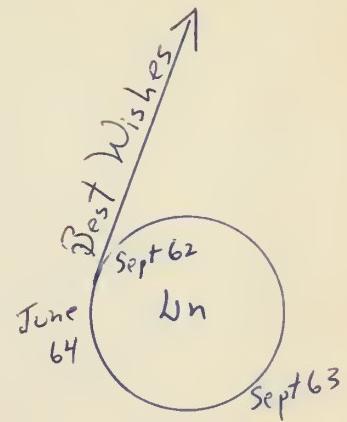

TELEPHONE JOBS ARE IMPORTANT,

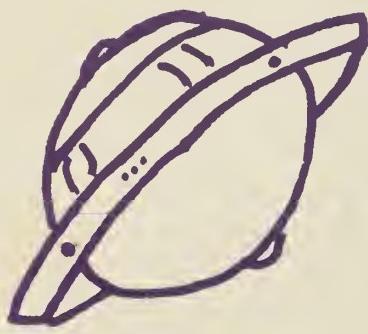

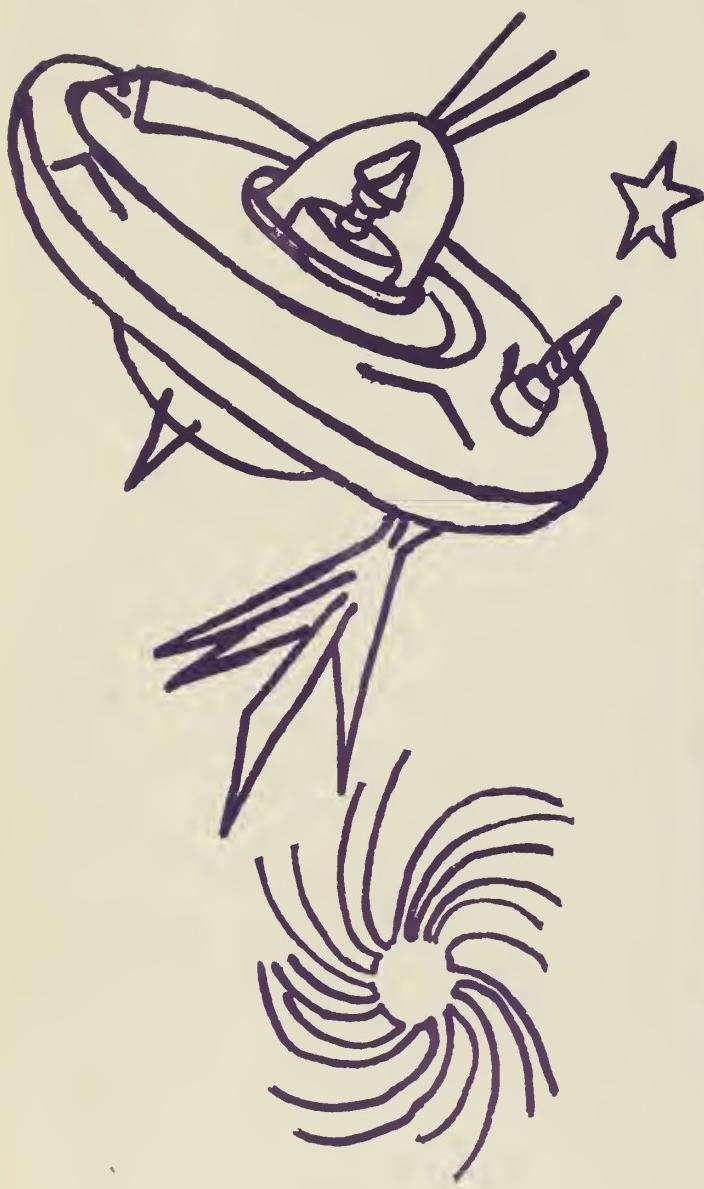

vital to the effective communications of the community, the nation, and the world. When you take your place as a respected member of the telephone community, we'll train you, on full salary, even without previous job experience.

Why not come and see our employment interviewer soon . . . before you graduate? Ask your Guidance Counselor to tell you when and where to apply.
